November 27th, 2023

Highway 10 Connecting Link Remaining Work For 2023 and 2024

Walker Construction Grey-Bruce plans to complete the following outlined tasks along Highway 10 from Margaret Street to Campbell Street.

November 27th to December 15th 2023

- Installation of Sidewalk
- Placement of Topsoil
- -Adjustment to Manhole Lids
- Placement of Temporary Asphalt ramping Along Curbs & Gutters
- Electrical Work for New Traffic Signals
- Restoration Works

Remaining Work for 2024

- Work which was not completed in 2023
- Placement of Final Asphalt Layer
- Restoration Works

Note to the public

- Sections of the sidewalks will be temporarily closed due to construction activities and for the safety of everyone. Access to businesses will be opened and maintained to the general public.

- We advise everyone to use sand instead of salt on the new sidewalk to preserve its integrity and allow for a strong cured walkway.

- We please ask everyone not to block the intersection to avoid delays and congestion when the lights turn red. For everyone's safety, we request that all foot traffic cross the street at the traffic lights where attendants are ready to assist you.

Traffic Flow

- Traffic controllers will be present to help regulate the flow of traffic during construction. All flow of traffic will be maintained in all directions. No parking is permitted within the construction limits for this duration.

The aforementioned tasks are subject to change in the event of inclement weather and/or unforeseen circumstances encountered.
