Flesherton – Highway 10 Connecting Link Reconstruction
Construction Newsletter #1

July 10, 2023

The Municipality of Grey Highlands has entered into a contract with Harold Sutherland Construction aka Walker Construction Grey-Bruce (Contractor) for the reconstruction of the Highway 10 Connecting Link (Sydenham Street / Toronto Road) in Flesherton from approximately Margaret Street to Campbell Street. The work generally consists of:

- Reconstruction of roadway, storm drainage improvements, traffic signal upgrades, replacement of sidewalk, curb and gutter, and pavement marking.

Construction is expected to start on August 8, 2023, and be completed in July 2024. For the winter shutdown period, all safety fencing, construction material, etc., will be removed and all street parking and sidewalks will be temporarily reinstated. Works will recommence in Spring 2024.

Prior to construction commencing, preparation work is required to take place in July 2023. A pre-condition survey will be carried out on buildings in the vicinity of the proposed work. A separate notice will be issued to residents to coordinate this survey.

Public Information Session

The Public Information Session Location and Time:

Flesherton Kinplex, 2 Highland Drive
Wednesday, July 12, 2023
Drop In Between 6:00 p.m. & 8:00 p.m.

The Public Information Session is to provide residents and businesses the opportunity to meet the Project team members and to learn more about the construction and how this will affect access to properties for the duration of the construction.

Traffic Condition and Pedestrian Access During Construction

Traffic will be controlled under a single-lane closure complete with flaggers / portable traffic signals during working hours of 7:00 a.m. to 5:00 p.m., Monday to Friday. Pedestrian access will be maintained at all times. We encourage those residents with mobility limitations to contact the project team so their specific needs can be addressed during construction.

Public Parking

No public parking during construction will be permitted within closed areas on Highway 10. The Contractor will be onsite to coordinate and communicate with pedestrians and motorists on where to park.

Will the Public Have Access to My Residence / Business?

Where work is located within driveways or entrances to dwellings and / or businesses, access will be restored as quickly as possible after the work is completed.

Pedestrian access to apartments and businesses will be maintained during construction.

Local access to abutting properties will be maintained where possible. However, the Contractor will give prior notice of any pedestrian and / or vehicular access restrictions to the residents and businesses. We ask for your patience in such instances.

Access for emergency vehicles will be maintained at all times.

Special Access Needs

If you require special access to your property during construction, please contact the Public Relations Officer.

How Will My Services Be Affected?

Any interruptions to water, sanitary, telephone, hydro, cable TV, and gas services are not anticipated. However, if you lose any of your services, please contact the Public Relations Officer. The Contractor will ensure that regular garbage and recycling collection will be maintained during construction activities. It may be necessary for the Contractor to collect the garbage and recycling containers to a designated area to be collected and return the containers to individual properties on each garbage and recycling day during construction operations. If required, please be sure to clearly label your containers with your address (street name and number) so that they can be returned.

Safety

The Contractor is required to conduct the work in a safe manner, including fencing of the work area, etc. We ask that you take extra caution during the construction period to ensure everyone's safety.

Newsletters

A newsletter describing construction activities can be available by email upon request to linda.tran@rjburnside.com.

Who Do I Call If I Have a Problem?

The Public Relations Officer should be your first point of contact regarding any construction-related concerns or inquiries.

The Public Relations Officer and the Project Supervisor will be available 24/7 at the phone number provided below and should **only** be contacted outside of normal working hours of 7:00 a.m. to 5:00 p.m. if there is an emergency or critical situation.

R.J. Burnside & Associates Limited (Burnside) is administering the project on behalf of the Municipality. If you have any questions regarding the construction, you may also call or email a Burnside representative between the hours of 8:00 a.m. to 5:00 p.m., Monday to Friday.
