

Subject: Reminder – Mandatory Onsite Sewage System Re-inspection Program Pilot 2026

Dear Property Owner,

Our records indicate that we have not yet received confirmation that you have scheduled your required onsite sewage system inspection and/or submitted the completed property owner questionnaire.

As previously advised, the Municipality of Grey Highlands has implemented the **Mandatory Onsite Sewage System Re-inspection Program Pilot 2026** under **By-law No. 2026-039** for properties located within 100 metres of a shoreline. Inspections for properties surrounding Lake Eugenia are being conducted by **R.J. Burnside & Associates Limited (Burnside)**.

Action Required

To comply with the program requirements, property owners must:

1. **Schedule their inspection** with Burnside within their designated zone inspection period by contacting:
 - o **Leah 519-806-9937**
 - o Email: **ghinspections@rjburnside.com**

Additional information regarding the re-inspection program, including zone maps and inspection schedules, can be found at: <https://connectgreyhighlands.ca/sewage> (map/summary on page 2)

If you have any questions regarding the program, please contact Building Services at **septicinspection@greyhighlands.ca** or **519-986-2811 ext. 401**.

Thank you for your prompt attention and cooperation.

Sincerely,

Municipality of Grey Highlands
