November 27th, 2023

NOTICE

Placement of Concrete Sidewalks

Walker Construction would like to inform you that Highway10 Connecting Link is scheduled to have new sidewalk installed.

The disruption is scheduled to start at **7:00 a.m. To 5:00 p.m on November 28th to December 1st, 2023.** Access to businesses will be maintained. If the disruption is anticipated to last longer than the aforementioned timeframe, those affected will be notified.

We advise everyone to use sand instead of salt on the new sidewalk to preserve its integrity and allow for a strong cured walkway. **You will be advised by a Walker Reparative when it is okay to use salt.**

You can contact **Isaac Bansah at 519-379-5894** should you have any questions or require further information.
