2026 SPONSORSHIP OPPORTUNITIES

Championed by Grey Highlands Senior's Advisory Committee, we are excited to announce the Second Annual Age-Friendly Senior's Health Fair, a unique event dedicated to promoting and celebrating health and wellness among our seniors' community.

This event is possible only because of the support of our community and corporate sponsors.

A diverse array of health and wellness service providers and non-profit organizations will ensure a vibrant and well-attended fair. Your support as a sponsor will be critical in making this event a success and in enhancing the well-being of our senior citizens.

We've made sponsorship simple with the following three packages. Promotional opportunities included in each package include a booth at the fair for face-to-face conversation, articles in local print media, and further exposure through the Grey Highland Municipality's extensive social media.
