Flesherton – Highway 10 Connecting Link Reconstruction
Construction Newsletter #2

August 17, 2023

What is happening this week?

The Contractor, Harold Sutherland Construction aka Walker Construction experienced delays due to unforeseen circumstances with the procurement of storm structures which resulted in the anticipated construction start date being rescheduled.

We apologize for any inconvenience this may have caused.

What is happening next week?

Residents and Businesses should expect Walker Construction to commence construction activities on Monday, August 21, 2023, and should anticipate some delays to traffic.

Where can I find construction updates and more information?

For this project, the Municipality has a dedicated website for the public to provide more information and the latest updates. Please visit the link below:

https://connectgreyhighlands.ca/connecting-link-flesherton

Newsletters

Future Newsletters will not be hand-delivered. A newsletter describing construction activities can be available by email upon request to linda.tran@rjburnside.com or within the link above.

Who Do I Call If I Have a Question or Concern?

The Public Relations Officer should be your first point of contact regarding any construction-related concerns or inquiries.

The Public Relations Officer and the Project Supervisor will be available 24/7 at the phone number provided below and should **only** be contacted outside of normal working hours of 7:00 a.m. to 5:00 p.m. if there is an emergency or critical situation.

R.J. Burnside & Associates Limited (Burnside) is administering the project on behalf of the Municipality. If you have any questions regarding the construction, you may also call or email a Burnside representative between the hours of 8:00 a.m. to 5:00 p.m., Monday to Friday.

Garbage and Recycling Pickups

The Contractor will be responsible to transport/return garbage and recycling bins from either end of the project limits where they can be picked up by the Municipality's collection contractors. Residents/ Owners will need to identify the bins with the civic address numbers to allow the bins to be returned to each property by the end of the day.

Updates to the Contact Information

Please be advised that the Contact Information for Burnside's Construction Inspector is no longer Aram Mamende. For any previous correspondence with the Construction Inspector, please direct them to Murray Harvey or Kody Ropson (alternate). The updated contact details can be found below.
